mmmm....cider

Bantam Roja Cider: Rojo is made from local heirloom and traditional New England apples. It is slowly fermented with a hearty ale yeast and then aged with sour cherries and black peppercorns. The result is a truly interesting and satisfying unfiltered, semi-dry cider. Rojo starts with a spicy fruity aroma and first taste that becomes slightly sour on the mid palate and finishes dry with a subtle cherry note.

Gritty's Black-fly Stout 22oz: Black Fly Stout is an opaque black-colored brew with a cream colored head. First there is a rush of mild roasted malt and subdued black currant fruitiness, then the roasted kicks things up a notch by unleashing an even burnt charcoal bitterness. Malt sweetness holds this brew together in the beginning then the dryness sets in to make the mouth beg for more. Lingering suggestions of espresso and vague chocolate flavor make up the end.

Portland, ME 4.7%/16 IBU/\$12

Shed Brewery's Mountain Ale: This unfiltered English Strong Ale is a medium to full-bodied ale, with pronounced caramel and toffee notes, followed by a roasted finish. A moderate hop bitterness is derived from generous kettle additions of Mt. Hood and Northern Brewer hops. Vermont /7.4%/35 IBU/\$6.25

Notch Session Pills: Czech style pale lager known as Světlé Výčepní. The 10 plato strength (4% ABV) is the most popular in the Czech Republic, as opposed to the 12 plato strength (5% ABV) that is more familiar in the US. Brewed with European malts, Czech Saaz hops and soft water. Salem, MA /4%/NA IBU/\$6

Otter Creek Steam Pipe Lager: We burned the rulebooks, and when the smoke cleared we created this counter-culture interpretation of a California-style common lager dosed with juicy hop flavors. Mosaic and Galaxy hops shine through a golden, orange-hued lager that's as clean and free as the open road. Middlebury, VT /6.0%/55 IBU/\$7

Ballast Point Grapefruit Sculpin: Our Grapefruit Sculpin is the latest take on our signature IPA. Some may say there are few ways to improve Sculpin's unique flavor, but the tart freshness of grapefruit perfectly complements our IPA's citrusy hop character. Grapefruit's a winter fruit, but this easy-drinking ale tastes like summer. San Diego, CA/7% ABV/70 IBU/\$8.25

Jack's Abby Hoponius Union: Hoponius Union harmoniously combines lager yeast fermentation and West Coast IPA hops. Our India style Pale Lager is like a traditional IPA but with a twist - it's fermented cold and aged for extended periods. A blend of classic American hops creates a huge tropical fruit and citrusy hop aroma. A dry finish accentuates the pleasant bitterness and hop profile. Framingham, MA/6.5%/65 IBU/\$6.5

HP Winter Warmer: Harpoon Winter Warmer was the first seasonal beer we brewed and, as a matter of fact, it was one of the first seasonal beers in the country. To this day, we still look forward to the first Winter Warmer bottling of the season as a sign of the approaching holidays. From the label to the aroma to the flavor, it all reminds us of family get-togethers, and the beers that help make the holidays so festive. Boston, 4.9%/11 IBU/\$7

Harpoon IPA: Flagship IPA from one of Boston's original craft breweries. Well-balanced, pleasantly hoppy, always delicious. A classic New England IPA. Do it with hot dogs AND onion rings. Boston, MA/5.9%/42 IBU/\$6.5
